1	Need low income housing and Senior housing that people can afford. The Village Greatly needs a place where people can buy groceries, a laundry mat, a car wash or Kwik Trip! Dane has nothing for the size of our town.	5/9/2023 1:56 PM
2	Make taxes less	4/27/2023 8:41 AM
3	Make taxes less	4/27/2023 8:33 AM
4	housing has gone way to high for seniors to stay in their homes have to move to more affordable.	4/20/2023 11:47 AM
5	Expensive	4/18/2023 9:27 AM
6	I wish abandoned houses and buildings were torn down or put to use	4/17/2023 2:44 PM
7	I would not be happy if rental properties were built in close proximity to my home.	4/17/2023 10:52 AM
8	None	4/16/2023 6:51 PM
9	It would be nice if we could have some nice senior living condos or apartments in the village.	4/16/2023 6:34 PM
10	Taxes have become very high in past few years.	4/16/2023 6:28 PM
11	Limited supply of rental properties makes it hard to retain young adults and senior citizens. For many, home ownership (primarily single family residential) is the only way to live/stay living in Dane.	4/16/2023 1:38 PM
12	Because of the market, it is difficult to find affordable housing for a lot of young people.	4/16/2023 10:18 AM
13	F&F construction builds far too many homes in our area, and they're very low quality.	4/15/2023 7:56 PM
14	Let's not turn into the next, snobby Waunakee	4/15/2023 11:37 AM
15	We need to keep our village a smaller knit community instead of adding more homes and neighborhoods. As it is the lots that have been available for over a year now are not selling. You not a handful have sold and less than 10 have been built on.	4/14/2023 1:10 PM
16	It's getting expensive for 1st time home owners to buy	4/14/2023 1:00 PM
17	The Village is large enough w/ the addition of the new Teirney sub division.	4/14/2023 8:58 AM
18	We live in Dane because of the small town feel with great neighbors. We absolutely without a doubt do not want Dane to feel like the next Waunakee. Please keep Dane the community it is.	4/13/2023 10:20 PM
19	The village definitely does not have a surplus of housing available. It is very difficult to get a house in the area. This is good if you are selling, but obviously very difficult to get in. I struggle with how high the cost of the houses are for what is there. While I live in the town, I think it's important to remember who we are as a village, and it's not Waunakee's little brother.	4/12/2023 6:26 PM
20	I lit would be nice to have some TRUE first time home construction opportunities. The new lots and home being built are DEFINITELY for first time home buyers!	4/11/2023 9:15 PM
21	Workforce housing, entry level housing is older homes that are not desirable to young adults.	4/11/2023 8:25 PM
22	prices to purchase a home or rent have gotten very out of control in the village over the last 10 years with very little available	4/11/2023 2:55 PM
23	Rural luxury condos would be nice	4/11/2023 2:08 PM
24	Sidewalk/walkway to park and additional amenities like pool/basketball courts etc	4/10/2023 8:11 PM

## Village of Dane Comprehensive Plan & Outdoor Recreation Survey

25	I would prefer to see continued growth in single family housing instead of multi-family units. It would also be great to see changes in the downtown area. It is an eyesore.	4/8/2023 4:50 PM
26	Careful planning is critical to maintaining/improving housing in the village.	4/7/2023 8:22 PM
27	No more subdivisions.	4/7/2023 5:38 PM
28	The town needs a kwik trip type of convenience store instead of the BP. Better park equipment and for residents to be able to utilize the ball fields for personal use	4/6/2023 4:30 PM
29	We decided to move to Dane last year because taxes were too high in Lodi by the school. Now we pay just as much as them which is disappointing. We might move back to Lodi.	4/6/2023 3:38 PM
30	I would love more trees/green areas in "downtown" Dane! We would utilize any walking paths that were created, too. I also think Dane could use a coffee shop or deli; some food location other than a bar (although we love spending time at P&Ds and Tootsies, too.) I'm happy to see more kids events coming together and I hope to see that continue as our family grows.	4/6/2023 1:59 PM
31	Need updated park at capital valley	4/6/2023 8:49 AM
32	Tax assessment was done at a poor time, when housing values were at an all-time high, making tax burdens inflated. Little improvement in town infrastructure seen in last 10 years makes us wonder what Dane portion of taxes is used on. Parks for kids could use some improvement/updates, and safety checks.	4/5/2023 10:23 PM
33	The water and sewer utilities are prohibitively expensive. I don't water my lawn during the spring/summer because of this. I know several others who are the same, and it leads to a decrepit look for the village.	4/5/2023 2:10 PM
34	If you want people stay or come to Dane we need condos as people do not want the headache of lawn and snow removal as they get older and Waunakee is not affordable	4/4/2023 10:41 PM
35	Dane has to be one of the noisiest small towns in WI. Semis, dump trucks, tractors and loud motorcycles (in the summer) blasting down Main Street from 5AM to 10PM almost daily. We would really appreciate if the noise ordinance was enforced.	4/4/2023 9:20 PM
36	For a small community there is a lot of noise and traffic. People that have visited and service people that have been to our home spring - fall often comment on how noisy it is. We have loud engine breaking from semis, loud motorcycles, frequent traffic of loud manure wagons and other large vehicles, cars without mufflers, etc. The speeding along 113 is also terrible. We can almost never have our windows open because we cannot hear our television, conversations, or work. The fireworks going off for like a week whenever there is a holiday is excessive. The extreme smell of manure is unbearable at times making us not want to even open our doors or windows let alone sit outside. I do feel safe in the community, but the things mentioned above have us planning to move as fast as we can.	4/4/2023 9:20 PM
37	Property taxes seem unreasonably high compared to the amenities in Dane.	4/1/2023 6:42 PM

12	Capital Valley Park badly needs a paved or gravel walkway that travels from the baseball diamond to the playground. Pushing a stroller or wheelchair around to the playground using the sidewalk would take about 15 minutes. The playground there needs more play options for toddlers. Right now most of the equipment is geared towards kids who are 5 or older.	4/6/2023 11:42 AM

2	Community involvement in maintaining the parks could be asked for. If there is commitment by community groups, it could be handled similar to the highway cleanup programs but would need oversight	4/22/2023 10:24 AM
3	All the parks in Dane have similar playground equipment, would be nice to have more of a variety	4/20/2023 2:16 PM
4	like to see a skating rink in winter	4/20/2023 11:58 AM
5	Parks are underutilized. Need design plans and major updating	4/19/2023 5:53 PM
6	We have a nice number of parks and are spread out. They do need more upkeep though. Like dead trees or basketball hoops that are leaning or broken.	4/18/2023 4:38 PM
7	No bike lanes on the roads in Dane. Already have a speeding problem through town do not need to add in other hazards.	4/17/2023 9:16 PM
8	A splash pad would be amazing for the community	4/17/2023 2:54 PM
9	I feel bike trails are very much in need as it is not safe biking on county roads	4/17/2023 12:47 PM
10	Bike/walking trails would be amazing to have. We frequently go to other communities to walk and ride our bikes because Dane isn't a safe place to ride with all of the narrow roads. Pickle ball would also be a wonderful addition. There is a lot of room at the park on Sunset to put a pickle ball court. A game for all ages and athletic ability.	4/17/2023 12:01 PM
11	I am opposed to adding bike lanes to the roads. A bike trail may be a better option, however that would depend upon the placement of the trail.	4/17/2023 11:03 AM
12	Our parks need attention on updates and repairs. All bike path and walk paths should avoid village streets and roadways used by cars trucks and agriculture machinery	4/16/2023 8:05 PM
13	None	4/16/2023 7:00 PM
14	Dane should make parks highest priority. If a new development is added then it should include a new park. The existing parks should get new playground structures to match the growth in population.	4/16/2023 6:40 PM
15	Please address the aging elements of the parks. The playground equipment at Bert Deans, the light poles (which are VERY old and wooden) at Bert Deans, remove the old/damaged benches at Lake Melvin Park, etc. Please also invest some money into making Capitol Valley Park more usable.	4/16/2023 1:54 PM
16	Sidewalks in the village of Dane are not maintained and have not been restored to its prime shape in a long time. They also do not meet ADA compliance, halting the use by people with wheelchairs. Crossing the roads on 113 near the intersection of WIS 113/ Military road is poorly marked for pedestrian crossing. Could use a utilization of pedestrian crossing lights for safety.	4/16/2023 9:29 AM
17	Need trails for walking and bike paths for children	4/15/2023 6:26 PM
18	Improve/upgrade what we already have.	4/15/2023 7:08 AM
19	Capitol Valley baseball field is locked and not useable by village residents. I have a huge problem paying a space I cannot use. It seems the Lodi baseball team should be able to play	4/14/2023 1:27 PM

## Village of Dane Comprehensive Plan & Outdoor Recreation Survey

baseball at a field in Lodi. And the parking on game days is ridiculous even with the new parking spots added. My vote would be to remove the baseball field and allocate that land to something all Village residents would have access to use. For the example, tennis courts, soccer field, or something else that one of the other parks does not have.

20	trails are needed in our parks, other wise they are avoided when wet. More shade.	4/14/2023 1:12 PM
21	I think a walking path separate from roads would be highly used.	4/14/2023 11:09 AM
22	The parks in Dane are small for the quantity of families. With the new development, there was hope they would also add in additional park, that did not happen. Safe trails to bike on would be a perk.	4/13/2023 4:17 PM
23	There are so many things needed. The park equipment at Capital Valley park is awful. It's difficult for small children, who are the ones who use it the most, and it's not enough for elementary children: both sets get bored quickly. If the goal is to keep people out then mission accomplished. The equipment in Bert Dean's Park is so old. There are limited handicap accessible play places for children with disabilities. Connecting the two sides of Dane and having a bike path would be amazing. Of course all this takes maintenance, so perhaps there are a few more people needed to help maintain these areas.	4/12/2023 6:38 PM
24	Village has enough parks, village has enough staff. New developer should provide funds to provide additional playground equipment/improvements	4/12/2023 4:30 PM
25	Maintenance is pretty good now.	4/11/2023 8:39 PM
26	Capitol Valley Park is severely underdeveloped, the park impact fees have not been used to improve the park. More play equipment should be added and the ground should be smoothed out plus landscaping needs done. The money is available, no one is planning to do anything.	4/11/2023 3:09 PM
27	I don't want my taxes to increase because of spending extra unnecessary money	4/9/2023 3:19 PM
28	Improving the parks we currently have should be first priority. Starting with Capitol valley as it is the highest density of residents. Updating and expanding the play equipment and adding tennis/basketball courts for older kids would be top priority for my family and might make us stay in the neighborhood as our kids grow.	4/8/2023 8:28 AM
29	We would love a dog park/fenced in area for a dog in the village of Dane! We drive to waunakee or Middleton currently but it would be nice to have one local	4/7/2023 6:00 PM
30	For what we pay in taxes after the recent reassessment, we should be getting a lot more value from the village. Our parks are a joke, main street is unsightly. If you want to tax like Waunakee you need to provide the level of amenities provided by Waunakee. The upside of living in Dane was lower taxes. That's no longer the case.	4/7/2023 5:38 PM
31	As the village grows we need to have facilities that keep new residents playing and exercising locally. It helps create interest in keeping out community strong and safe.	4/6/2023 5:55 PM
32	It is hard to walk down main st, especially around the railroad tracks because the sidewalk is not continuous and it is not safe to walk on the road. Also the sidewalk at the corner of main where the hardware store is needs better drainage as it becomes a huge puddle when it rains or the snow melts and it gets really slippery when the water freezes.	4/6/2023 5:51 PM
33	Capital Valley Park would really benefit from a splash pad and better playground equipment. There are lots of kids in this neighborhood and every parent I've talked to has complained that the park needs improvement. Parents are currently bringing their kids to parks in surrounding areas because the parks are so much better than here.	4/6/2023 11:42 AM
34	Less time on the baseball fields that are used a few times a year and more time on the park grounds and playgrounds used daily.	4/6/2023 11:30 AM
35	Need better and upgraded parks for the kids	4/6/2023 8:57 AM
36	Would love and utilize more sidewalks for safer (and longer) walks! Love to walk and am limited to where I can go.	4/6/2023 4:15 AM
37	I would like to see many of these things added, but do not want to see our property taxes increase any further.	4/5/2023 10:36 PM
38	Deforest has a great path system. Perhaps it can be used as a model	4/5/2023 6:10 PM

39	N/A	4/5/2023 5:29 PM
40	Currently parks are run down and need some attention. It's disappointing to see weeds (thistle that will harm the children) growing in the old mulch that is several years old. Equipment not washed off yearly that has mold growing on it. The current parks need to be better maintained before anything additional can be added or considered.	4/5/2023 5:48 AM
41	We need bike paths to connect us to Waunakee Lodi and Deforest for sure.	4/4/2023 10:59 PM
42	While bicycle infrastructure would eventually be great. I think our parks are a much more immediate need.	4/1/2023 10:11 PM
